	Jungle Test	4 settimane 4 weeks	ND	ALLIO05_02_11	UNI EN 12280/3
	Altezza rotolo Roll width	[cm]	137 – 140		
	Lunghezza rotolo Roll length	[m]	35	PG13	

Note Notes	NA = Non Applicabile / Not Applicable – ND = Non Disponibile / Unavailable
	Pulire l'articolo utilizzando un panno inumidito con acqua e sapone neutro e strofinare delicatamente la superficie. Non utilizzare prodotti a base alcolica, sgrassatori domestici o pulitori aggressivi. Gently clean the product surface using a cloth dampened with water and mild soap. Don't use alcohol-based products, domestic degreaser or harsh cleaners.
	La disomogeneità di colore tra lotti è frutto della particolare lavorazione si consiglia di non utilizzare lotti diversi per la stessa produzione. Colour inhomogeneity from one batch to another is due to special processing. We recommend not using different batches for the same production.
	Fiscatech S.p.a. non è responsabile dei difetti causati dalla migrazione di coloranti provenienti da materiale di terzi. Fiscatech S.p.a. is not responsible for any blemish caused by the migration of colours from other materials

Microsogno

KORAM is designed to meet the expectations of the fashion industry, in terms of looks, soft touch and workability. It can be customised with digital prints. KORAM embraces Italian creativity while ensuring process sustainability. Every product is traceable and conforms to the most stringent eco/tox specifications. Moreover, the production chain is entirely made in Italy.

This range is available in a variety of versions, including orthogonal, stretch and non-woven fabrics, coagulated and coated with traditional and bio-based polyurethane (EQ range included on request).

Its luxury touch is made with a natural finish.

KORAM MICROSOGNO stands out for its nappa texture and soft touch. It's available in leather goods' traditional colours. Still, it can come in different and unique colours, depending on the latest fashion trends.

RED DM8

BROWNIE DM7

TAN DM6

DARK BROWN DM9

BEIGE DM5

WHITE BCO

BLACK NRO

KORAM MICROSOGNO is treated with Ultra Fresh additive to protect against mould and bad odours resulting from bacteria.
